

**Dear DCG Booster Club Supporter;**

The 2011-2012 Athletic Booster Club Business Membership drive has once again arrived. The Dallas Center - Grimes Booster Club sincerely appreciates your support over the past years and we are hoping to see that support continue for the 2011-2012 school year.

Once again our athletes have provided us with an exciting and fun filled year. With your help we have been able to support all of our athletic teams and they have responded with both winning efforts and winning seasons. Trips to state tournaments are becoming common place for DCG Student Athletes. How exciting for them this is and what great memories and life lessons they will take with them as they move on after graduation.

The students, boosters and faculty would like to thank you for your support with the School's athletic needs. During the last 5 years the DCG Athletic Booster Club has contributed over \$300,000 to help support DCG Athletics. In an effort to show our appreciation, we will continue to list your business in each athletic event program as a booster club supporter in the membership club of your choice.

Enclosed you will find a sign-up form for the 2011-2012 Dallas Center - Grimes Booster Club. Please take time to complete the form and return it to the address listed below. Or if you wish, please contact us and we'll have a booster club representative call on you personally. Each business membership comes with a Booster Club plaque that shows your support for the school and can be displayed in your business. If you are in need of a plaque and/or did not receive the 2011 sticker for your existing plaque please indicate this on the form, and a Booster Club representative will bring one to you.

We look forward to your support. Thank you in advance from the entire DCG school community.
