### DC-G Marching Band Uniform and Choir Robe Sponsorship Program

In addition to our normal yearly fundraising, the DC-G High School is needing to replace and update their marching band uniforms and choir robes. This is a necessary investment that will be seen for years to come!

**See the backside of this form for exciting details.**

# DC-G Marching Band Uniform and Choir Robe Sponsorship Program

*With the growth of our school district, the need to replace the 20 plus year old uniforms/robes is very much needed. The success of this funding campaign will make possible the purchase for the beginning of the 2012 school year. This is a community wide effort so spread the word.*

A \$100 sponsorship will make the timely purchase of uniforms and robes for the next school year possible. Your sponsorship will be noted in all school programs and memorialized in the high school music department for years to come.

- In addition to my FOFA Membership form, I would like to sponsor a new uniform and/or robe.*

Please fill out the information portion of the front of this form only if you wish to participate in the sponsorship program only. Any additional contributions made towards uniforms and robes will be noted in all school programs and website, unless you request your information to be kept private.

- Enclosed is my donation amount for **uniform** **robe** (please circle one) sponsorship in the amount of \$ \_\_\_\_\_ (each)*

- Please accept my in-kind donation of \$ \_\_\_\_\_ towards the sponsorship program*

***Include your donation with your FOFA membership***
